Upland Highlander Parent Academy

Workshops for 2013-2014

Workshops will start at 3:00 p.m. and then repeat at 7:00 p.m. in the UHS lower library.

Students are encouraged to attend with their parents.

Study skills-  Thursday, November 14

This session will help parents find ways to best help students at home and learn techniques for students to use to improve grades.

How to Pay for College - Thursday, December 12,

In this session you will learn how to apply for financial aid and learn places to find information about scholarships.

”Help, My student is crazy”-  Thursday, January 16

This is a problem solving session for parents, as well as a time to learn about cell phone and internet safety.

Career Exploration- Thursday, February 13

When students have long term goals in mind, they tend to do better in school. In this workshop you will learn ways to help your student explore career options for the future.

What should my student be taking? - Thursday, March 13

In this session, we will cover graduation requirements, A-G requirements for college, as well as elective options that help students with career goals. We will cover ROP classes, Pathways, and Advanced Placement classes. Additionally, we will cover which tests students should be taking for post secondary options.

How to select and apply to a college/ College for Athletes – Thursday, April 10

In this session, we will cover the various types of post-secondary options including colleges, trade schools, military and going straight to work. We will guide students and parents through a process that will help them make decisions regarding the best options after graduating high school. We will also focus on the process during the junior/senior year on steps to apply to college. Our goal is to give you tools to make this process manageable. We will also cover how to register for the NCAA clearinghouse and which classes are approved by the NCAA.
