College Funding Workshop

YOU CAN PAY FOR COLLEGE AND GET MORE FINANCIAL AID REGARDLESS OF YOUR INCOME AND ASSETS

In this comprehensive, exciting workshop learn:

• To understand what really goes on in the world of financial aid:

1. How need-based financial aid works

2. How college selection influences merit-based financial aid

3. The correct way to negotiate a financial aid package

4. How colleges selectively discount college tuition

• To predict your financial aid package in advance

• To handle the college bill when you do not get financial aid

• To cope with the special problems of single parents, whether divorced, separated, or widowed

• To avoid creating a retirement problem from your college problem

• To develop a long-term savings program that takes financial aid eligibility into consideration

YOU WILL RECEIVE A SIMPLE NINE STEP PROCESS THAT WORKS

Each family can receive their own analysis showing where they fit in the financial aid structure, which is the starting point of every successful college plan.
