Dear Student:

We are writing to inform you of the scholarship opportunity afforded to all high school students by the Lions Clubs of California. For seventy-six years students from all over California have competed for scholarship money to be used for college or trade school. Students who write and deliver a speech at the club level will earn $25.00 with the winner taking home $75.00. At the next level, the winner’s prize is $100.00; the third level winner will receive $150.00. At the final three levels, the winners receive scholarship certificates of $4,500.00, $6,500.00 and $10,000.00 respectively.

The Ontario-Upland Lions Club will be holding its contest @ 6:30 pm on Thursday, January 24, 2013. This year’s topic is, “How to Create and Keep Jobs in America”. A speech must be at least 5 minutes, but should not exceed 10 minutes in length. Should you decide to participate you will be given the exact rules regarding entry.

This is a great opportunity in so many ways. Not only the scholarship funds available, but also another line on the bio of your college applications and terrific experience at public speaking necessary in almost every career choice we make in the future.

If you are interested in participating, or would like more information, please contact us as soon as possible.

Sincerely,

Ken and Marilyne Sherwood
